

TWO IN ONE PLATE CARRIER

When more than one operator needs hard armor protection, the **Two-In-One Plate Carrier** delivers the instant solution. This highly innovative plate carrier features front and back plate pockets for NIJ Level III or IV hard armor plates. Within a matter of seconds, a second operator can quickly remove the rear plate panel and don the plate carrier for immediate ballistic protection.

FEATURES:

- 500 denier CORDURA® construction
- Accommodates 10" x 12" hard armor plates
- Has the ability to separate the back body to become a front for another person in need of protection
- One size fits most shoulder adjustment and elastic waistband
- Waist bands have pull straps to easily don and doff vest
- Can use 3" x 6" ID panels on front and back
- Additional 2" x 9" lower back ID panel and handle
- Durable and lightweight construction
- Can work with pouches (PCHMR3, PCHMR4 and PCHMD1)

COLORS: Black, Ranger Green, OD Green, Multi-Cam, and Coyote
